

Human Sciences Seminar #12
Osaka University Graduate School of Human Sciences
Center for Collaborative Future Creation

International Collaborations in Studying Centenarians and Healthy Longevity

DATE: OCTOBER 10 (TUE), 2017

TIME: 16:30~

LOCATION: OSAKA UNIVERSITY

GRADUATE SCHOOL OF HUMAN SCIENCES

LEARNING COMMONS (NORTH BUILDING)

SPEAKER: DR. PETER MARTIN

(DEPARTMENT OF HUMAN DEVELOPMENT AND FAMILY STUDIES,
IOWA STATE UNIVERSITY)

Achieving an exceptionally old age is difficult – doing so in good health is even more of a challenge. I will summarize important collaborative efforts by the International Consortium of Centenarian Studies (ICC) and highlight longevity differences and similarities across countries.

Organized by: Osaka University Graduate School of Human Sciences
Center for Collaborative Future Creation
